

**Dear Hiring Manager**

*Wish you a very good day*

*In response to your latest job posting on Upwork I am here to apply for the post of Web Developer position. I have an excellent background as a Web Developer along with my academic education in Computer Science and Technology. The experience and my academic education have provided me with some outstanding and technical skills. Furthermore, I have the excellence of creating upstanding designs of novelty. I firmly believe that these qualities make me different from the rest of the contestants*

*I would like to inform you also that I am highly skilled with HTML, CSS, JavaScript, WordPress, Laravel, Code igniter as I have handsome experience with them. Still, I am always eager to learn anew and make my skill sharper whenever I get any chance.*

*Above the beyond, I have a great passion for mobile and software technology as well. I have worked with some mobile companies and enjoyed the work a lot like working on Twillio with flutter developers. My recruiters are always delighted with my creativity, hard-working and stamina.*

*For why I believe myself to be the best candidate and a great asset to your project. My profile, portfolio, and work history are also attached herewith for your kind consideration that will help you recognize my skill. Some of websites which we build in Laravel are as follow.*
